125 two different masonic temples copy Egypt and Maya

127 twin lion statues can be found at temples all around the world

137 the goddess isis is described on the two sphinxes in Washington D.C.

143 the checkerboard in masonic temples describe duality

153 awaking the third eye comes from Hinduism before freemasons inherited it

165 Frida Kahlo was a communist who drew paintings on the balancing of two sides to be equal, this is why we learn about her in middle school it is an agenda they hid

169 because of the inquisition masons hid themselves, this means it was probably an attempt to be a one world global religion but they will tell you "oh no this is just some club"

170 Novus Ordo……New Deal FDR

184 legend says the third eye comes from Atlantis

214 Maya and Egypt’s temples both have two serpents and triptych entrances

220 the third eye is to show we are gods ourselves

221 you cannot take a graven image of God in the Bible and Quran, freemasons do this

235 freemasons distort Christianity saying we have a Christ within us not understanding the holy spirit

245 the gospel of Thomas says the kingdom of heaven is spread on the earth though we do not see it

255 the Masonic cross is the same as the Aztec cross

315 Richard and I agree there was not a world unity of one culture
